

Cabinet's Vision / Core Values / Core Works

Vision:

- Powerful teaching and learning in every classroom -

Supported by:

- Administrators as Instructional Leaders
- District wide Teamwork
- Professional Development and Collaboration
- Openness to assess what we are doing and implement practices to improve
- Clear Governance Structure

Core Values:

- Integrity – We believe our actions should be consistent with our values.
- Student Centered – We believe in serving the best interests of all students.
- Respect – We believe in being respectful in all interactions and seeking first to understand.
- People First – We believe that people should be considered before things and we believe in providing opportunities for people to fulfill their potential.
- Value Staff – We believe that staff is our most important asset.
- High Expectations – We believe in holding high expectations for staff, students, and ourselves.
- Public Responsibility – We are committed to serving the public trust by providing a high quality public education program for students.
- Professionalism – We are committed to continuous learning and continuous improvement.

Core Works:

- Collins – Good to Great
- Marzano – What Works In Schools – Translating Research Into Action
